BOOTH SPACE _____ **PARKING AREA** _____

Booth spaces starting with **E (on Eola Dr), W (on Washington St.) or B (the Bridge)** may load-in after **12:00 PM on Friday**

Booth spaces starting with **R (in the park along Robinson St)** will be able to load-in after **6:00 PM** when they close the street to the public.

Anyone can set upon **SATURDAY** morning before 9am. Use the same traffic flow.

An identifying marker (most likely tape and marker) with your number on it will represent the exact center of your booth space. If you are uncertain about where to put your booth do not setup until we have confirmed it with you.

If your set up is in the grass, leave a 3-4 foot gap between your booth and the sidewalk! This will allow traffic to flow keep the sidewalk open to wheelchairs passing.

PARKING: Please park tight and do not leave large gaps between vehicles.

The north curb of Robinson St. and side streets are overflow parking if your area is full. **Follow the traffic flow to get to your parking area. Do NOT go against the traffic flow on your map.**

An EXHIBITOR PASS must be clearly displayed on your vehicle dashboard and/or affixed to your trailer when parked or it may be subject to towing. **ONLY ONE** Pass is allowed per booth space. Additional vehicles must park outside the event area or in one of the paid parking garages nearby. Please be respectful and only park in your assigned parking area.

WEIGHTS: Bring proper weights to secure your tent for up to 40 mph wind gusts. Tent must be secure with blocks, sandbags or other weights. The area around the lake can be windy at times.
